

**BECOME
FUTURE-READY
FOR THE
VFX INDUSTRY.**

Dear Student,

The VFX industry has gained prominence for several reasons. The increasing use of VFX in films, shows, games and advertisements has led to the advent of a great number of VFX studios. There is a growing demand for VFX professionals to create high-quality content. VFX Prime trains students to become all-round VFX specialists. Right from the fundamentals to the most advanced techniques, the program provides an in-depth understanding of the latest software and tools used in the industry. VFX Prime is designed to make students a fully-equipped VFX professional.

The Indian M&E industry is growing at 13.5% per annum and is expected to be worth INR 3.07 trillion in 2024.*
The M&E industry is also expected to provide 65 lakh jobs by 2022.**
